

A technical drawing of a mechanical assembly, likely a valve or actuator, showing a cross-section. The drawing includes the following numbered components:

- 1**: A vertical shaft or stem passing through the center of the assembly.
- 2**: A horizontal component, possibly a valve body or housing, with a central opening for the shaft.
- 3**: A horizontal component, possibly a valve body or housing, with a central opening for the shaft.
- 4**: A horizontal component, possibly a valve body or housing, with a central opening for the shaft.
- 5**: A horizontal component, possibly a valve body or housing, with a central opening for the shaft.
- 6**: A horizontal component, possibly a valve body or housing, with a central opening for the shaft.
- 7**: A horizontal component, possibly a valve body or housing, with a central opening for the shaft.
- 8**: A horizontal component, possibly a valve body or housing, with a central opening for the shaft.

1. Oceľová konštrukcia
2. PUR panel
3. Oplechovanie - krycí plech
4. Kotvenie PUR panelu
5. Uchytenie krycieho plechu
6. Minerálna vlna
7. Gumové tesnenie
8. 4x20 PU tesnenie
